BauderFPO RDS 100

Peel stop cord

V3 22/11/2022

Product description	
Product description	FPO cord to be used with Bauder Fixing Bar
Application fields	Provides additional membrane protection when installing Bauder Fixing Bar
Surface	FPO-PP
Colour	natural
Article number	6500 0000

Characteristic	Unit	Value
Visible defects	-	no visible defects
Length	m	100
Processing	-	Hot air welding with approx. 400 °C
Material	-	FPO-PP
Overall thickness	mm	4,00
External fire performance	-	not applicable

Installation guidance	Use a specific cord welding nozzle on the heat gun and weld the cord with 400° C behind the fixing bar.
Handling/PPE	All persons using the product should be fully aware of the manual handling methods as roofing materials are heavy and can cause serious injury. When using/handling the product, installers should be provided with, and wear, suitable personal protective equipment.
Further information/documents	Current documents such as DoC's, DoP's (where relevant), brochures, installation guides, etc. can be found by visiting www.bauder.co.uk
Safety Data Sheet	Safety Data Sheets are designed to provide the necessary information to recipients of substances and mixtures in the EU & UK. This product is classed as an article; therefore, this product does not have a requirement for a Safety Data Sheet.
